Morning guys,

I spoke to Peter yesterday and he said he can get all the documents we need to have the data entry completed. Attached is a completed T3 from another one of our purchases with a different supplier. This is what it looks like going back to the authorized distributor. I labeled and highlight who each person is throughout the process. Notice that each one is done by NDC / LOT # / Quantity. To do the data entry we need either one of these filled out up until the sale to Safe Chain OR a packing slip / invoice from the AD to the supplier to Boulevard. I know this is a new process for you so we are more than happy to help guide you and answer any questions you might have. I look forward to getting this resolved and moving forward.

Have a nice weekend.

Charlie

**Subject:** Pedigrees

Guys --

We have a catch -22 on the pedigree and money situation.

Here are the Facts:

1. SC owes BLVD about 1 million
2. SC MUST have pedigrees from their sources or they are out of compliance and in risk of fines/suspension.
3. Two Pharmacies already asked for pedigrees

4. Pedigrees are supposed to show ALL transactions from the manufacturer to the pharmacy -- not just the last transaction.
5. Blvd doesnt want to help with pedigrees till they are paid.
6. SC doesnt want to pay till there are pedigrees (full pedigrees preferred back to manufacturer.) They have been asking for over a month.
7. SC can out source the pedigrees to a service group but needs the info.

How can we get past this?

we all want to do more business but SC cant do anything else without pedigrees.  
HELP!
